**SUPPLEMENTAL PETITION TO WITHDRAW HOLDING OF ABANDONMENT
BASED ON FAILURE TO RECEIVE OFFICE ACTION**

Dear Sir:

Applicant respectfully requests reconsideration of the holding of abandonment of the above-referenced application. Applicant hereby states that:

1. Applicant never received the original Office Action dated September 14, 2005.
2. Applicant has searched the file jacket and docket records and did not find anything indicating that the Office Action was ever received.
3. Applicant learned of the missing Office Action for the first time when Applicant received the Notice of Abandonment dated May 12, 2006. Applicant obtained a copy of the original Office Action via Public PAIR to prepare the response.
4. In Applicant's previous Petition under 37 CFR §1.181, filed on June 20, 2006, Applicant mistakenly stated that Applicant's computer docketing system and backup system was unable to produce a copy of the docket record to show where

the non-received Office Action would have been entered had it been received and docketed. Applicant's mistake was wholly unintentional.

5. Applicant has attached a printout from Applicant's backup of its computer docketing system. The printout shows actions due in December. The Office Action for the above-referenced application, which had a response due date of December 15, 2006, does not appear on this printout. If it had been received and docketed, it would have appeared as the first entry on the printout.

5. Applicant believes that no fees are due. However, the Commissioner is hereby authorized to charge any fees, which may be required or credit any overpayment to Account No. 05-0275.

Respectfully submitted,
